SUNDAY, JULY 10 @ 12:30 PM - 3:00 PM | UNITY OF HOUSTON |

\$25.00

Class instructor: Rev. Thich Hang Dat, UH Professor

In today's global society, Buddhism is a growing religion in the West due to its great spiritual and ethical influences on human beings. According to the most recent scholarship, even though Buddhism is an ancient tradition, it is a thrilling and practical religion. Serving as an alternative way of life to the materialism of the modern age, it offers an ancient insight into human existence to encourage people to rediscover their humane and spiritual values. This presentation will provide a brief understanding of the teachings and practices of Buddhism.

DIVINE LOVE EAGERLY WELCOMES ME HOME.

In the parable of the Prodigal Son, Jesus told of a wayward son's reunion with his father. The son had left home as a restless youth and frivolously spent his inheritance.
